

## General server rules

---

- No blank nicknames.
- No inappropriate nicknames.
- No sexually explicit nicknames.
- No offensive nicknames.
- No nicknames with unusual or unreadable Unicode.
- No inappropriate profile pictures.
- No sexually explicit profile pictures.
- No offensive profile pictures.
- Moderators reserve the right to use their own discretion regardless of any rule.
- No exploiting loopholes in the rules (please report them).

## Text chat rules

---

- No sexually explicit content.
- No pornographic content.
- No NSFW content.
- No publishing of personal information (including real names, addresses, emails, passwords, bank account and credit card information, etc.).
- No personal attacks.
- No harassment.
- No sexism.
- No racism.
- No hate speech.
- No offensive language/cursing.
- No religious discussions.
- No political discussions.
- No sexual discussions.
- Agree to disagree.
- No trolling.
- No spamming.
- No excessive messaging (breaking up an idea in many posts instead of writing all out in just one post).
- No walls of text (either in separate posts or as a single post).

- No unnecessary pings in the chat. People are most likely studying.
- No overusing emojis.
- Moderators reserve the right to delete any post.
- Self-promotion allowed, as long as it's study-related or relevant to the chat.
- No linking to other servers whatsoever, also not via DM.

## **Voice channel rules**

---

- No voice chat channel hopping.
- No annoying, loud or high pitch noises.
- Reduce the amount of background noise, if possible.
- Moderators reserve the right to mute you in a voice channel if your sound quality is poor or if it is disturbing others.
- Moderators reserve the right to disconnect, mute, deafen, or move members to and from voice channels.
